Product Detail

NOTE: It is fit for install $\Phi 70\text{mm}$ exhaust pipe.

The 3.75" stainless steel slip-on exhaust tips are the perfect choice for dressing up your factory M exhaust outlets. 27% bigger than stock these big body tips are sure to turn heads. Specially equipped with factory-like pressure clips so they go on easily and stay in place just like the factory tips. No ugly screws or clamps for a clean factory appearance. Specifically designed for the F chassis M3 and M4 and are not "universal" tips marketed for M cars. They completely cover the edge of the factory pipe for a clean look like the stock tips. The BMS FM exhaust tips are sure give your factory BMW M3/M4 exhaust system a grand look without spending the bucks for a complete system. These also fit the AC Fabrication exhaust system. Not for use with M-Performance exhaust systems. Does not fit the M2 or any other BMW vehicles other than those listed above.
